N/A

Always read and follow label directions. Please visit pbigordonturf.com for more information or to download a full label.

*Use Surge as a spot treatment for hard-to-control broadleaf weeds.

**Apply Katana to non-overseeded bermudagrass/zoysiagrass or centipedegrass for annual bluegrass and broadleaf weed control.

Avoid application during transition into or out of dormancy.

***Q4 Plus is labeled for use in New York State by spot treatment only.

Not for sale, distribution, or use in Nassau or Suffolk Counties in New York State.

† For goosegrass control, use two applications of SpeedZone EW 30 days apart.

Katana® is a registered trademark of Ishihara Sangyo Kaisha, Ltd.

Arkon™ and TZone™ are trademarks, and PowerZone®, Q4®, SpeedZone®, and Surge® are registered trademarks of PBI-Gordon Corp. 9/24 702992

Products in this program should not be tank-mixed; if additional control is needed, a follow-up application of another recommended product may be made at least 30 days after initial treatment.
