Annual Bluegrass

N/A

Always read and follow label directions. Please visit pbigordonturf.com for more information or to download a full label.

*Apply Katana to non-overseeded bermudagrass/zoysiagrass or centipedegrass for annual bluegrass and broadleaf weed control. Avoid application during transition into or out of dormancy. Do not apply Katana to St. Augustinegrass.

**Do not apply Q4 Plus to Centipedegrass or St. Augustinegrass.

† For goosegrass control, use two applications of SpeedZone EW 30 days apart.

†† Apply Aethon to St. Augustinegrass, or if Virginia buttonweed, wild violet, or ground ivy (creeping Charlie) are the target weeds.

Katana® is a registered trademark of Ishihara Sangyo Kaisha, Ltd. TZone™ is a trademark, and Aethon®, Q4®, SpeedZone® and Surge® are registered trademarks of PBI-Gordon Corp. 9/24 702992

Products in this program should not be tank-mixed; if additional control is needed, a follow-up application of another recommended product may be made at least 30 days after initial treatment.
